Property Owner (if different from Section 1)		SECTION 2
Name of Individual/Organization _____		
Telephone (Daytime) _____ Email _____		
Eligibility Criteria and Considerations		SECTION 3
<p>Indicate how the property meets eligibility criteria for the Housing Design Award by selecting from the options below (nominated properties must be able to select at least one option):</p> <p>Innovative design/construction: This can include using innovative materials or building practices (e.g., modular), emerging housing forms such as (but not limited to) microunits and tiny homes, or conversion from non-residential to residential use.</p> <p>Accessibility: The nominated property would include accessible features, incorporate the principles of Universal Design, and/or exceed local accessibility requirements.</p> <p>Sustainability & Energy Efficiency: The nominated property demonstrates the use of technologies and/or best practices to minimize energy use (ideally showing over 50% reduction in energy use from baseline), and/or demonstrating design that promotes densification, mixed use, and active/mass transportation.</p> <p>Affordability: The nominated property falls under national affordability definitions, designed as rent geared to income/low end of market rentals, and/or intended to serve a population experiencing barriers to housing affordability.</p> <p>While it is not required, nominators may include a letter of support from an individual/organization knowledgeable of the eligibility criteria to strengthen their application.</p>		

Reason for Nomination
