How are tickets purchased and used?

Tickets may be purchased in person or by phone. Unfortunately, at this time, most venues cannot process attendant pass tickets online. Pass holders will pay the regular event fee and the attendant's ticket is used complimentary (free) or at a reduced rate. Passes must be present when purchasing/pick up tickets and when entering the activity/event. If purchasing by phone, venue staff may ask for the pass number and expiry.

What does the attendant pass look like?

The attendant pass is a plastic pvc card that displays the pass number, name, requirements (e.g. wheelchair seating), issue and expiry date as well as a photo of the applicant.
