Development Committee Report

Council considered the following Development Committee Report dated October 2nd, 2012:
RECOMMENDATIONS

1. Discretionary Use Application - Public Utility
   Proposed Bell Mobility Cellular Telephone Tower
   571 Thorburn Road (Ward 4)
   Watershed (W) Zone

   The Development Committee recommends that this application be approved in accordance with Section 10.46.1 of the St. John’s Development Regulations.

2. Proposed Rooftop Cellular Telephone Antenna Installation
   Bell Mobility Inc.
   22 Gleneyre Street (Wedgewood Medical Building) Ward 1
   Commercial Neighbourhood (CN) Zone

   The Development Committee recommends approval of the cellular telephone antennas installation at 22 Gleneyre Street

3. Application for a Proposed Private Planned Unit Development (PUD)
   Ten (10) Two (2) Storey Single Detached Dwellings
   Quidi Vidi Village Road (Ward 2)
   Applicant: Powder House Hill Investments Ltd.

   The Development Committee recommends that upon completion of the technical review of the application by staff, that staff be directed to schedule a public meeting, to be chaired by a member of Council.

4. Proposed Seniors’ Residential Condominium Building
   Four (4) Storey, Sixteen (16) Condominium Units
   King Edward Place (Former St. John Ambulance Property) (Ward 2)
   Applicant: Southcott Homes Ltd.

   The Development Committee recommends that Council approve the attached terms of reference for the land use assessment report for the proposed four (4) storey seniors’ residential condominium building. As the proposed development is adjacent to an established residential neighbourhood, it is also recommended that once the report has been received and reviewed by staff, that staff be directed to schedule a public meeting, to be chaired by a member of Council, on the application and Land Use Assessment Report. This process would include a newspaper notice, notices mailed to property owners and occupants/residents in the area, and posting of the Assessment Report on the City’s website.

Robert F. Smart
City Manager
Chair – Development Committee
It was moved by Councillor Hann; seconded by Councillor Hickman: That the Committee’s recommendations 1, 2 and 4 be approved.

The motion being put was unanimously carried.

Regarding Item #3: It was moved by Deputy Mayor Duff; seconded by Councillor O’Leary: That the matter be deferred pending a review by staff the option of acquiring the land required to maintain the green space and putting some definition as to what could actually be permitted as roadside housing to maintain the integrity of the village according to what was approved in the Quidi Vidi Development Plan.

His Worship the Mayor indicated his support of the Committee’s recommendation that upon completion of the technical review of the application by staff, that staff be directed to schedule a public meeting.

The motion to defer being put was carried.

1. **335 Southside Road - Designated Heritage House**

The Committee considered an application to install a small extension on the side of the property to enclose a small elevator. The owner advises that the extension will be clad and detailed the same as the existing dwelling.

The Committee recommends approval of the elevator extension.
2. **15 Portugal Cove Road (Heritage Designated Building)**

The Committee considered an application to install six new window inserts on the second floor. The proposed windows will be Marvin Double Hung Inserts (see attached). The new windows will be exactly the same as the original in size and shape. The owner advises that only the storm windows on this house are divided and the windows are one over one. The new windows will be white aluminum clad on the exterior and wood on the interior.

The Committee recommends approval of the windows installation.

Report:

1. **New Year’s Eve 2012**
   The Committee considered an issue paper developed by Carolyn Cook, Special Projects Coordinator in response to the Committee’s request to explore options for a family friendly New Year’s Eve Celebration. Currently, $26,000 is budgeted for the event. A number of options were outlined with the Committee recommending the following:

   That the traditional midnight fireworks display be held as in previous years and that staff further investigate the following suggestions for report back to the Committee:
   - approach the community groups (particularly the Lantern and Mummers festival groups) to determine their willingness and ability to become involved in an early evening family friendly New Year’s Eve event and to get their feedback on how such an event could unfold;
   - outline the extent and cost of materials required for various workshops, i.e. the making of lanterns and/or mummer costumes, glow sticks, tea lights and other safe luminary devices;
   - investigate access to possible indoor venues in close proximity to Quidi Vidi Lake such as the Boathouse or the Sportsplex wherein the suggested workshops could be held. If such venues are unavailable, consideration could be given to the installation of tents for these activities.
   - Estimated additional budget required.

2. **World War I 100th Anniversary Commemoration 2014-2018**
   The Committee considered an issue paper from the Department of Economic Development, Tourism & Culture regarding the establishment of an Anniversary Memorials Stakeholder Committee comprised of the Royal Newfoundland Regiment Advisory Council; the Province of NL; Memorial University of NL; Parks Canada; Merchant Marines and various other stakeholders. The City’s involvement in this project is in line with the initiative outlined in the *Roadmap 2021* that “St. John’s is a destination of choice for people seeking authentic visitor experiences. … and that the City capture opportunities related to future special anniversaries and celebrations. These events showcase the city and encourage visits, particularly by expats.” The following is recommended for approval:

   Given the importance of the various events of World War I, the City should establish an interdepartmental committee to develop:

   a. a series of possible programs and initiatives to be undertaken by the City of St. John’s or in partnership with the Stakeholder Committee, and
b. the interdepartmental committee would also act as liaison in support of the Stakeholder Committee.

3. **Bowring Park Centenary Celebrations 2014**
The Committee considered an issue paper from the Department of Economic Development, Tourism & Culture regarding the Bowring Park Centenary Celebrations for 2014. The Bowring Park Foundation has asked the City to establish a committee to define, develop and implement programming.

The Committee recommends that the Bowring Park Centenary Celebrations 2014 should be led by the Bowring Park Foundation and that they should consult with the City’s Department of Parks and Recreation to develop programming. This may also be done in consultation with the Parks and Recreation Standing Committee.

4. **St. John’s/Waterford Twinning (Request from Margaret Best)**
The Committee considered a request from Margaret Walsh Best for support of an exhibit entitled “The Ireland Newfoundland Trail: A Journey of Plants and People.” The exhibit of several Newfoundland artisans is reflective of the Ireland/Newfoundland connection and is presently taking place in Waterford, Ireland. In September 2013 the exhibit will travel to St. John’s as part of the Newfoundland Irish Connections Festival (formerly Festival of the Sea).

The Committee recommends that financial assistance in the amount of $1,500 be approved to undertake the exhibit noted above and that this amount be allocated from the budget assigned to the St. John’s/Waterford twinning.

5. **Social Enterprise Program (Community Sector Council)**
The Committee considered background information from the Community Sector Council NL about an event taking place on September 17th (9:00 am – 4:00 pm) entitled “A day of dialogue on social enterprise and related themes”. The cost of registration is $30 per individual.

The Committee recommends approval to register a maximum of two staff representatives as well as any council representatives who wish to attend the above-noted event.

Councillor Bruce Tilley
Chairperson
It was moved by Councillor Tilley; seconded by Councillor Breen: That the Committee’s recommendations be approved.

The motion being put was unanimously carried

**Arts Advisory Committee Report (E-poll)**

Council considered the following Arts Advisory Committee (E-Poll):

**Attendees:**
- Deputy Mayor Shannie Duff, Chairperson
- Councillor Sheilagh O’Leary
- Councillor Sandy Hickman
- Peter Rompkey, RCA Theatre
- Reg Winsor, NLAC
- Michelle Haire, Heritage Canada

**Report:**

1. **Youth Art Exhibit**
   The Committee considered a request from the Department of Recreation to hold its annual Youth Art Exhibit in the Great Hall at City Hall from April 26 – May 10, 2013. This exhibition has been held in the Great Hall for the last 10 years and it is always held as part of National Youth Week which takes place from May 1 - 7 each year.

   The Committee recommends approval of the Youth Art Exhibit to take place in the Great Hall of City Hall from April 26 – May 10, 2013.

Deputy Mayor Shannie Duff
Chairperson

It was moved by Deputy Mayor Duff; seconded by Councillor Breen: That the Committee’s recommendation be approved.

Ms. Maureen Harvey, Recording Secretary

Presentation of Fire Prevention Division – Follow-up Audit Report.

Present for the Fire Department Presentation was: Mike Dwyer – Director of Fire Services, Brian Smith – Deputy Chief Support Services, and Jerry Peach – Deputy Chief Operations.

The Committee reviewed the above-noted report which was undertaken to determine the adequacy, effectiveness and timeliness of actions taken by management on audit findings presented in the original audit report, assignment #07-07, dated May 30, 2008.

It was reported that the procedures used in this follow-up consisted of interviews with the SJRFD personnel and review and verification of applicable documentation to assess the status of the recommendations made in the original audit report.

The Report dealt with the following issues and included the issue, status, recommendation, management comments and conclusion:

a. Public Safety, Awareness and Education
   i. Strategic goal establishment and communication
   ii. Strategic goal performance measurement
   iii. Reporting on performance

b. Forecasted Inspections
   i. Inspection planning
   ii. Reactive inspection scheduling
   iii. Long term goals (inspections)
   iv. Risk management model
   v. Inspection priorities

c. Consistency in Inspections
   i. Inspection checklist
   ii. Average inspection times
   iii. Quality assurance re-inspections
   iv. Re-inspections to ensure correction of noted violations
v. Standardized compliance deadlines
vi. Capacity checks
vii. Determining capacities
d. Organized Documentation
   i. Inspections of Federal and Provincial buildings
   ii. Training requirements and documentation
   iii. Data compilation and usage
e. Other items
   i. Fire prevention reference manual

New Issues
a. HTE Computer System
   i. Information accuracy
   ii. Electronic files review
b. Inspection Schedule
   i. Priority schedule
   ii. New occupancies
c. Documentation
   i. Priority fact sheet

The report was discussed in detail with the following motion brought forward:

Moved by Councillor Tilley; seconded by Councillor Breen that the follow-up report of the St. John’s Fire Department – Prevention Division be accepted as presented.

Suggested Changes to the Presentation of Audit Report Findings
The Committee reviewed a memorandum from the City Internal Auditor dated July 30, 2012 which suggests improvements to the effectiveness of the audit reporting process. In addition to the current audit finding sections of: issue, recommendation, management response and conclusion, it is recommended that the following sections be added: action by, information only, and action date.

The new sections will add accountability to the reporting process as they will highlight who is responsible for implementing the recommendations and provide a date by which the recommendation is to be implemented. This will also provide the Audit Committee with additional useful information for fulfilling its duties.

Moved by Councillor Breen; seconded by Councillor Hickman that the Committee accept the recommendation of the City’s Internal Audit Division with respect to the presentation of audit report findings.
Suggested Changes to the Follow-up Audit Process
Consideration was given to a memorandum dated September 7, 2012 from the City’s Internal Auditor suggesting changes to the follow-up audit process. It was noted that although the City’s Internal Audit Division has strived to perform follow-up audits for all audits completed in accordance with the International Standards for the Professional Practice of Internal Auditing, it has not been successful in doing so because of resource limitations and demands to perform new audits.

In an effort to improve the follow-up process, Internal Audit is recommending the following changes:

1. Internal Audit will maintain a spreadsheet of all issues and recommendations made in audit reports including the action dates indicated by management and agreed upon by the Audit Committee.
2. Semi-annually Internal Audit will request status updates from the applicable Director/Manager on issues that have reached their action date. This will result in a timelier follow-up in that Internal Audit will not have to wait for two years to follow-up on more significant findings.
3. If management’s status update indicates that the recommendation has not yet been implemented, then a new action date will be requested and a further status will be requested at that time. If management’s status update indicates that the recommendation has been implemented, then depending on the risk of exposure involved, Internal Audit may perform follow-up audit procedures to independently verify management’s assertion. Other less significant issues may not be verified by Internal Audit.
4. On a semi-annual basis, Internal Audit will provide the Audit Committee with a report indicating the status of all recommendations that have reached their action dates since the last update to the committee.

On a motion put forward by Councillor Breen; seconded by Councillor Hickman, the Committee accepted the foregoing recommendations and further that a similar process as outlined be followed for Internal Audit reports previously issued and that any reports issued prior to 2009 that have not yet been followed-up be removed from the audit plan because of resource constraints and the likely significant changes that have occurred in the departments/divisions over the last four years. For reports issued in 2009 and up to 2011, status updates will be required of the applicable management. If any recommendations are found not to be implemented, then an action date for implementation would be requested and the issue would be added to a spreadsheet for future follow-up.
