

Electrical Advisory

Information for Electrical Contractors

Information contained in this advisory does not negate the responsibility of Electrical Contractors, and others, to comply with the requirements of the Canadian Electrical Code, the Electrical By-Law and the Authority Having Jurisdiction.

RE: Adoption and Enforcement of the 2024 Canadian Electrical Code Part I

Please be advised that Section 13 of the St. John's Electrical By-law has been amended for the adoption of the 2024 Canadian Electrical Code Part I (26th Edition), as passed by Council on July 9, 2024.

These requirements will apply to all electrical work for building and electrical permit applications on or after August 1, 2024.

All Electrical Contractors are encouraged to obtain a copy of the 2024 Canadian Electrical Code Part I (26th Edition).

Yours Truly,

Chris Fallon
