Introduction

The City of St. John's is pleased to present the latest edition of the "How to Guide..." Its purpose is to inform you, in a straightforward manner, about City regulations, permits, taxation and processes respecting the operation of business.

Following an easy-to-use question and answer format, this guide answers the questions:

- What regulations apply to my business?
- What permits do I need to start my business?
- Is my area zoned for my business?
- What will my tax rate be?
- What applications should I fill out to start my business?

Regulations and Zoning

Q: I'm not sure where to start or who to contact about starting a business?

The City of St. John's has a **Business Information Centre** which is located on the 1st floor of 348 Water Street. Individuals can make use of the Centre's walk-in or virtual service from 9:00 a.m. - 4:30 p.m., Monday - Friday. Staff can guide you to the resources to assist with the preparation of business plans, statistics, market research material and provide information on funding sources. A computer workstation with access to the Internet is available as well as a small reference library. For more information, please consult the City's website at StJohns.ca, email business@stjohns.ca or telephone 709-576-8107.

BizPaL is an online service that simplifies the business permit and licence process for entrepreneurs, businesses, and governments. Visit bizpal.ca.

Q: Why does City Hall have regulations governing business?

Regulations are necessary to ensure:

- public safety and health;
- fairness (regulations treat every applicant fairly);
- certainty;
- security.

Q: What regulations apply to the start-up and operation of my business?

There are several regulations which the City has adopted that apply to all business types:

- **St. John's Municipal Plan** and **St. John's Development Regulations**;
- **St. John's Building By-Law**;
- **St. John's Sign-By-Law** and **Heritage Sign By-Law**;
- **Commercial Maintenance By-Law**;
- **St. John's Electrical By-Law**;
- **National Building Code of Canada**;
- **National Fire Code**;
- **Plumbing By-Law**, and
- the **National Fire Protection Association's Life Safety Code**.

Depending on the type of business you wish to operate, other jurisdictions at the federal or provincial level may be involved. For example, the Newfoundland and Labrador Liquor Corporation issues **liquor licenses**. **Service NL** processes permits, licences, approvals and conducts inspections on behalf of several provincial government departments. Some of the approvals which fall under the responsibility of Service NL are: **building accessibility**, elevator inspections, and **food establishment licencing**. (see List of Contacts on page 34)

Q: Are there regulations that affect where my business can be located?

Yes, the **St. John's Development Regulations** regulate land use and development in St. John's. Contained in this document are the zoning requirements that govern how a particular land area will be used. Zones (see Glossary page 37) have been established to ensure that only certain land uses or developments can occur in a particular zone.

To establish a business on a particular piece of property, you must be sure that the area is zoned for your business. To find out if the business meets the zoning requirements of your property, you should contact the Department of Planning, Engineering and Regulatory Services (see List of Contacts on page 32). They can assist you in determining the zoning of your property and establish which uses are permitted and which controls apply to the property.

Q: What do I have to do if my business does not meet the zoning requirements of the property involved?

A: You may seek an amendment of the pertinent regulation. Before seeking an amendment, however, you should discuss your development with the Department of Planning, Engineering and Regulatory Services.

There are two types of amendments:

Rezoning: A change in the zoning of a property to allow a proposed development to proceed. For some rezonings, an amendment to the **St. John's Municipal Plan** is also required. You must either be the property owner or have the owner's written permission to seek a rezoning amendment.

Text Amendment: A change in the text of the St. John's Development Regulations to change a standard requirement or regulation.

There is a \$300 fee for an amendment to the **St. John's Development Regulations** (rezoning or text change). Where a proposed amendment to the St. John's Development Regulations requires an amendment to the St. John's Municipal Plan then the additional fee is \$1,800. Planning staff can review the development and advise you of the procedure to be followed in seeking an amendment. Applications for rezoning are site-specific and are often initiated by the applicant

for a specific development. Applications for a text amendment often have a more general effect throughout the city. They may be initiated by a specific applicant or by the City itself.

Some rezoning applications require an amendment to the **St. John's Municipal Plan**. This must be adopted by Council, reviewed by a Commissioner, and registered by the Provincial Government for the rezoning to occur. The Department of Planning, Engineering and Regulatory Services will advise you if this applies to your specific application.

Q: Can I meet with City staff to discuss my proposed business development?

Yes, one very important and useful service available to you is the expert advice of the City's **Development Team**. Whether you are ready to make an application or just want to explore a development idea, the team is available to sit down and discuss it with you in an informal and confidential setting.

The **Development Team** is an inter-departmental committee comprised of staff members from the following City departments: Department of Planning, Engineering and Regulatory Services, Legal, and Public Works. Its primary function is to meet with individuals, firms, and developers who wish to make an application to the City for the development of property. The team can provide information on the issues concerning the development of a specific site and the City's requirements for the proposed development. The team will also meet with people who have already made a formal development application and wish to discuss its status in the approval process. Members of the Development Team have arranged their work schedules to allow for one afternoon each week to meet with interested parties.

For further information about the **Development Team** or to arrange a meeting, please contact the Chief Municipal Planner, Department of Planning, Engineering and Regulatory Services. (see List of Contacts on page 32)

Application Process

Q: Do I have to fill out an application to operate a business in St. John's?

Yes. Anyone who wishes to operate a business in St. John's must first complete and submit either a **Planning/Development Application**, located in Appendix A or a **Building Permit Application**, located in Appendix B. New construction projects and home occupation businesses should complete the Planning/Development Application and the corresponding **Development Checklist**. For a home office, new business or a change of use in an existing commercial building (referred to as a Change of Occupancy) a completed **Building Permit Application** is required.

Q: What documentation must be submitted in addition to my application and Development Checklist?

You should attach any additional materials, i.e., site drawings, deeds, surveys, floor plans, landscaping, and any other relevant information. Staff can advise you of particular information requirements for individual cases.

Q: Where do I submit my applications?

You must submit your application to the Construction Permit Counter, third floor of the John J. Murphy building (City Hall Annex) for Regulatory Services approval if you are:

- using an existing commercial space or building for business purposes;
- undergoing interior or exterior renovations;
- installing exterior signs;
- erecting accessory buildings or fences or doing other sitework;
- starting a home office.

Prior to making an application to the Construction Permit Counter, the applicant is to contact and discuss the application with City of St. John's Planning Development staff for the following types of applications:

- starting a home-occupation business;
- constructing commercial, industrial or institutional buildings or constructing extensions to these types of buildings;
- changing the type of use of a building if that building is not zoned to allow the proposed use.

If you are unsure which division will process your application a call to either will direct you in the appropriate direction (see List of Contacts on page 32)

Q: Do I need a permit for mobile vending?

A permit is required to conduct sales from a table, stand, cart, or vehicle outdoors, on a public street or on private commercial property. Submit to the Building Counter a completed **Mobile Vending Permit** Application Form located in Appendix C. The form is also available on the City’s website StJohns.ca under the heading Business and Investment > Business Licensing.

Q: Do I need a license to conduct a special sale from a temporary business location?

Yes. A person or business that does not have a permanent base of operations in St. John’s who wants to sell goods or merchandise temporarily from a premises is required to first obtain a **Transient Dealer’s** license to do so. The license fee is \$517.50. Telephone the Building Inspector-on-Duty at 709-576-8049 or email permits@stjohns.ca for additional information.

Examples: Jewelry auctions, hot tub sales or selling of leather goods from a temporary location.

Q: Is there a fee associated with the Planning/Development and Building Permit Applications?

Yes, the fee is determined by the nature of your application.

Planning and development fees for applications processed under the **St. John’s Development Regulations** range from \$150 to \$300. If a Development Agreement (an application that requires approval from St. John’s Municipal Council) is required, an additional fee of \$200 is payable upon approval. The complete fee schedule can be found in the Building and Development section of StJohns.ca under the heading Planning and Development > Development Regulations. Some of the common application processing fees are as follows:

General Application Fee	\$150
Discretionary Use (see Glossary page 36)	\$300
Extension of Non-Conforming Use (see Glossary page 37)	\$300
Change of Non-Conforming Use (see Glossary page 37)	\$300

Inspection Services fees and rates are as follows:

Q: Are permits required to operate a business?

Various permits are required for the construction, addition, renovation, and repair of commercial buildings. Permits, once issued, allow for the necessary follow-up inspection to ensure that work is undertaken according to the proper code or standard. Pending final approved inspection, you will be issued a certificate of occupancy/permit. For further information visit the **Building and Development** section of **StJohns.ca**.

Depending on the type of business you wish to operate, other jurisdictions, at the federal or provincial level, may be involved. For example, the **Newfoundland and Labrador Liquor Corporation** issues liquor licenses. **Service NL** processes permits, licences, approvals and conducts inspections on behalf of several provincial government departments. Some of the approvals which fall under the responsibility of **Service NL** are: **building accessibility**, elevator inspections, and **food establishment licensing**. (see List of Contacts on page 34 for contact information).

For businesses, to help you determine what documents you need for the different levels of government - municipal, provincial, and federal, please use the **BizPal** Online Business Permits and Licenses Service provided at: **bizpal.ca**

Q: Does my commercial development require a professional engineer /architect stamp?

The **National Building Code of Canada** requires that all new construction, renovations or extensions exceeding 600 m² in building area or three storeys in building height must bear the seal and signature of a professional engineer or architect registered in the Province of Newfoundland and Labrador. Other smaller projects may also be deemed to meet this requirement as determined by the building inspector. For further information on permits and regulations, visit the **Building and Development** section of **StJohns.ca**.

Q: How does the approval process work and how long does it take?

For an overview of the approval process please see page 16.

Applicants should allow adequate time for the application process, particularly if other agencies/departments are involved. The length of time involved in processing an application can vary depending on the application and legislation requirements.

Q: What if Council/staff does not approve my application?

If Council or authorized staff do not approve your application, you have the right to appeal the decision to the St. John's Local Board of Appeal. However, an appeal can only be initiated if the rejection of the application is made under the St. John's Development Regulations. The appeal must be submitted to the Secretary of the Appeal Board within fifteen (15) calendar days from the date on which the decision was made or the date the appropriate staff decision appears in the Council agenda.

The **St. John's Development Regulations** stipulate that the Appeal Board must meet to hear an appeal no later than 30 calendar days after the appeal has been filed. The regulations also state that the Appeal Board must return a decision, in writing, to both you, as the Appellant, and the City within fourteen (14) calendar days of hearing the appeal. **Appeal Application** Forms can be obtained at StJohns.ca or from the following department:

Office of the City Clerk,
4th Floor, St. John's City Hall

There is a \$115 fee for appeals to the St. John's Local Board of Appeal (refunded where appeal is successful).

Q: Where can I get additional information about the approval and appeal processes?

Additional information can be obtained from the **Office of the City Clerk** (see List of Contacts on page 33) or from the Planning division planning@stjohns.ca.

Assessment & Taxation

Q: Will my business be taxed?

If you are leasing the space for your business you will not pay commercial tax to the City of St. John's.

If you are the owner of commercial property in St. John's, you will pay a flat property-based tax called Commercial Realty Tax.

For tax information related to home-based business refer to page 24. Additional information pertaining to assessments and taxation can be obtained from the City of St. John's **Assessment** Division, the **Taxation** Division or at StJohns.ca.

Q: Are there any special requirements if my commercial property is located in the downtown Business Improvement Area (BIA)?

If your commercial property is located in the downtown BIA (see Glossary page 36) 0.8 of a mil has been added to the commercial mil-rate (Levy).

Q: Are there any special requirements if I plan to operate an accommodation business?

An Accommodation Tax (known as the **Tourism Marketing Levy**) applies to any person who for a daily charge stays in a room in St. John's which is licensed under the provincial **Tourism Establishment Act**. The Accommodation Tax is 4 per cent of the purchase price of the accommodation before HST. A Quarterly Accommodation Tax report is required to be remitted showing the total room revenue and the amount of the levy being remitted. The report can be **completed and submitted electronically** or the application form (Appendix E) can be found in the Business and Investment section of StJohns.ca under the heading Accommodation Tax. Have any further questions?

Email: accommodationtax@stjohns.ca.

Q: How is Commercial Realty Tax for commercial properties calculated?

An assessment process is used to evaluate property for the purpose of calculating taxes. Commercial Realty Taxes are calculated as a percentage of the total assessed value of the property.

Q: How does the assessment process work for commercial property owners?

For assessment and taxation, the City of St. John's must determine the market value of all properties within the City as of a single date, known as the base date. This base date is in effect for two taxation years. The base date for 2024 and 2025 assessment notices is January 1, 2022.

Market Value is the most probable price which would be paid, as of a specified date, for a property that has been exposed in a competitive market with a buyer and seller each acting prudently, knowledgeably and for self-interest, assuming that neither is under duress.

Assessors will determine the market value of every property as of this date. This means your assessment is a retrospective or historical value, not the current value. When reviewing your assessment notice it is important to remember this represents what the property was worth as of January 1, 2022 - not what the property is worth today.

To determine the market value an assessor will use a combination of three different approaches, which are outlined below:

The Direct Comparison Approach

This is the most common valuation approach. We analyze sales of comparable properties near or on the base date.

The Income Approach

An income-producing property's ability to earn revenue is tied to its market value. We do a detailed analysis of a property's income and expenses and then compare that to similar properties. This helps us to determine how much income a property can generate. We analyze the relationship between income and sale prices to calculate the capitalization rate (cap rate) for the property by dividing the income by the sale price.

The Cost Approach

We calculate the cost to replace buildings, structures or other taxable components. We then apply deductions for depreciation due to age, and functional or economic conditions. The value of the land is then determined and added to the depreciated replacement cost to produce an estimate of market value.

Q: As a commercial property owner, what happens if I have vacant space in my building?

The City of St. John's has designed a **Commercial Property Tax Allowance Claim** to ensure property owners are not penalized if they have vacant property. Vacancy allowances are based on the leasable area of your property. For example, if an entire property is vacant and being actively marketed you could claim a vacancy allowance for 50 per cent of the total Commercial Realty Tax for the period of the vacancy. To apply for the Commercial Property Tax Allowance Claim commercial property owners must submit the Commercial Property Tax Allowance Claim **form** found in Appendix D. For further information please email taxation@stjohns.ca.

Q: How often are commercial property assessments conducted for the calculation of the Commercial Realty Tax?

As of 2022 all property assessments will be in effect for two years, rather than three.

Q: What are the commercial and realty tax rates that I will have to pay?

The following table outlines taxes, rates and fees levied by the City of St. John's for 2025.

Tax rates are commonly referred to as mil rates, a mil (see Glossary page 36) is equal to \$1 in property tax levied per \$1,000 of a property's assessed value.

Sample Tax Calculations

(for illustrative purposes only)

Commercial Realty Tax

Applicable to commercial property owners. Calculated based on a specific formula. For the most general cases the following formula is used:

$$\text{Assessed Value of Property} \times \text{Mil Rate} = \text{Annual Tax Amount}$$

For example, if a property is assessed at a value of \$500,000 and the applicable mil rate is 29.5 or 2.95%, the annual tax amount would be \$14,750.

$$\$500,000 \times .0295 = \$14,750$$

Therefore, a mil rate of 29.5 represents \$29.50 for every \$1,000 of assessed property value.

Q: How often do I pay commercial realty taxes and is there a penalty for late payment?

Taxes are payable quarterly in arrears, which means you would pay for January through March in April. There is a late payment interest rate of 1.25% per month, compounded. Commercial water tax is also billed quarterly.

Q: Can my business be exempt from any taxes?

Section 8 of the City of St. John's **Municipal Taxation Act** outlines the properties that are or may be exempt from property taxes. For example, registered charities that own their own building are exempt from Commercial Realty Tax and only pay Water Tax on their property. Commercial property owners that lease to a registered charity can claim a tax allowance for the space occupied by the charity. Additional exemptions are available through the **St. John's Real Property Tax Exemption By-Law** and include daycares and seasonal businesses. To apply for the allowance commercial property owners must submit the Commercial Property Tax Allowance Claim **form** which can be found in Appendix D.

It should be noted that mobile vendors, e.g., "fish-and-chip" vans and tables operated at a flea market, are not assessed and therefore do not pay taxes. However, they do pay permit fees.

Q: Where can I get additional information about assessments and taxation?

Additional information pertaining to assessments and taxation can be obtained from the City of St. John's **Assessment Division** and the **Taxation Division** (see List of Contacts on pages 32 and 33).

Home-Based Business

Q: Can I operate a business out of my home?

Yes, under certain conditions. City Council has defined two home-based business types: Home Offices and Home Occupations.

Home Office

A home office means a secondary use of a dwelling unit to conduct a business activity, which is for 'Office Uses Only'. The guiding principles in the designation of a Home Office are as follows:

- does not involve the visitation of clients;
- must be operated by a resident of the dwelling;
- will not employ persons who do not reside in the dwelling;
- will not require signage;
- must be located in the dwelling itself, not an accessory building;
- does not require modifications and is limited to a maximum floor area of 20 m² (215 ft²);
- does not involve the wholesale or retail sale of goods;
- does not involve interior or exterior storage or display of goods, materials or equipment.

Examples of Home Offices include administration for electrical contractor, cleaning company (no storage of equipment on site), online-only consulting for engineer, designer, architect, etc., and online-only sales of products (no storage of product on site).

Photo by Laura Lefurgey-Smith on Unsplash

Home Occupation

A home occupation means a secondary use of a dwelling unit to operate a gainful occupation or business activity that is more intense than the office use of a desk, computer and phone, and can involve clients visiting the home. The guiding principles in the designation of a Home Occupation are as follows:

- is of a size and type that does not conflict with the residential character of an area;
- draws clients/customers to visit the site;
- must be operated by a resident of the dwelling;
- can employ a maximum of two (2) non-resident persons in addition to the resident.
- There are no limits placed on the number of staff employed, provided they reside in the same dwelling as the Home Occupation;
- cannot exceed 25% of the floor area of the dwelling or 45 m² (484 ft²) whichever is less;
- must be located in the dwelling itself, however, in certain designated rural zones the use of an accessory building may be considered for approval;
- can involve incidental retail sales provided they are subsidiary to the approved use (e.g., the sales of a craft product made on site);
- does not involve the wholesale sale or storage of goods;

- does not involve exterior storage or display of goods;
- allows signage but it is limited to a single non-illuminated sign not to exceed 2800 cm² (approximately 18" x 24" or 434 in²) in size that is attached to the building;
- requires public notification.

Examples of Home Occupations include hair salon, wedding consultant, dance or music lessons, pet grooming, food preparation for delivery or pickup, creation of products in the home for sale (e.g. screen printing, crafts), and selling Epicure, Mary Kay, Scentsy, etc. from your home if there are people visiting your home to pick up products that you've sold, or if you are storing products on site.

Q: Do I have to fill out an application for a Home Office or Home Occupation?

Yes, a **Building Permit Application** must be completed and submitted to the Construction Permit Counter for approval of a Home Office. A Home Office is considered a Permitted Use (see Glossary page 36) and can be approved at the staff level. A **Planning/Development Application** must be completed and submitted to the Department of Planning, Engineering and Regulatory Services for approval of a Home Occupation. A Home Occupation is considered a Discretionary Use (see Glossary page 36) and may be permitted by the St. John's Municipal Council subject to special conditions or controls.

If the applicant is not the homeowner, then the homeowner's authorization signature must be obtained before the application can be officially accepted for processing. Along with the completed Applications

the applicant must include the associated Home Office or Home Occupation **Development Checklist**. The Development Checklists can be found in the Living in St. John's section of StJohns.ca under the heading City Services > Planning and Development. The forms must include the following:

- information on the type of Home Office or Home Occupation proposed;
- the amount of space to be occupied;
- the hours of operation;
- the number of employees proposed for the operation of the business;
- a drawing or sketch identifying the portion of the dwelling to be used for the Home Office or Home Occupation must accompany the application.

Q: How is the application for a Home Office processed?

The application for a Home Office is processed directly with the Inspection Services Division as a Home Office is a Permitted Use in most residential zones and does not require Planning and Development approval. If all requirements have been met, then an occupancy permit (\$50) will be issued for the Home Office. For further information, email permits@stjohns.ca.

Should an application not be approved, the Applicant has the right to appeal the decision to the St. John's Local Board of Appeal (see page 17).

Q: How is the application for a Home Occupation processed?

After the application for a Home Occupation has been accepted for processing by the Development Division, it will be reviewed against the requirements of the [St. John's Development Regulations](#). If the application meets these requirements, then staff will proceed with public notification. The City will advertise the application in the local newspaper and distribute written notices to property owners within a minimum 150 metre radius of the application site. The newspaper and written notices are intended to inform the public that an application for a Home Occupation has been received, provide details of the application, and allow an opportunity for public input.

Council has the discretion of calling a Public Meeting to allow for further public input on the application. Should a Public Meeting be required, properties within a 150 metre radius of the application site will again be notified in writing and notification of the Public Meeting will appear in the local daily newspaper.

If the application is approved by Council, the Applicant will be required to enter into a Development Agreement with the City of St. John's and pay a \$200 registration fee. The Development Agreement establishes the terms of Council's approval and is to be signed by both the Applicant and the City Clerk within six (6) months of the date of Council's approval of the application.

Once the Development Agreement is signed, the Application, along with all required plans, will be reviewed by Inspection Services staff at the Construction Permit Counter in reference to the National Building Code and to ensure that all other required approvals are in place.

If an application is not approved by Council, the Applicant has the right to appeal the decision to the St. John's Local Board of Appeal (see page 17).

Q: Is there a fee associated with the application for a Home Office or Home Occupation??

A Home Office application, once approved, has a \$50 Change of Occupancy Permit fee.

A Home Occupation application, requires a \$300 Discretionary Use application fee (non-refundable). If the application is approved by Council, there is an additional \$200 registration fee for the required Development Agreement, in addition, to the final Occupancy Permit fee of \$50 for a total of \$550.

Q: How long does the approval process take?

The amount of time involved in processing an application for a Home Office, from acceptance of a completed application form to a decision by staff, is approximately one (1) week. The amount of time involved for processing an application for a Home Occupation, from acceptance of a completed application form, to a decision by Council, is approximately one (1) month.

Q: Will my tax rates be different if I operate my business out of my home?

If your business occupies less than 25 per cent of the area of your home then you will not pay any Commercial Realty Tax and will pay 100 per cent Residential Realty Tax. If your business uses more than 25 per cent of the area of your home it will be considered a mixed use property and charged an appropriate percentage of Residential Realty and Commercial Realty Taxes. A Water Tax is also applied at the residential rate of \$670.00 per unit per annum.

Q: Where can I get additional information about assessment and taxes for Home Based Business?

Additional information pertaining to assessments and taxation can be obtained from the City of St. John's [Assessment](#) Division and the [Revenue Accounting/Taxation](#) Division (see List of Contacts on pages 32 and 33).

Sample Start-Up Scenario

This scenario is provided to demonstrate how municipal processes, regulations and fees apply to business start-up in the City of St. John's. The process followed by the fictional business described below is applicable only under the circumstances outlined. This scenario is therefore not indicative of the requirements for every business. A business owner should refer to the various sections of this Guide to determine which processes, regulations and fees might apply to their business.

Mr. Smith is establishing a convenience store in the Ropewalk Lane area of St. John's. The store will occupy a 4,000 ft² space in a commercial building with 10,000 ft² of leaseable area. The space was previously used as a retail shoe store. The commercial building is assessed at a value of \$500,000. Mr. Smith does not own the building but is leasing the space. He is not undertaking any major renovations however, he is installing an illuminated, exterior 3 x 5 sign.

Q: Is Mr. Smith required to submit an application to establish his business in the City of St. John's?

Yes, since Mr. Smith is going to be operating a business in St. John's and undertaking sign changes he is required to submit a **Building Permit Application** for a Change of Occupancy (Appendix B).

Q: Where will Mr. Smith's applications be processed and what fees will he pay?

Mr. Smith's application would be submitted to the Construction Permit Counter, third floor of the John J. Murphy building (City Hall Annex). Included with the application Mr. Smith should attach a drawing of the sign. The sign permit cost, as per fee schedule on page 13, will be \$40 plus 1% of the cost of the sign (minimum permit fee is \$50). In addition, a \$50 Change of Occupancy permit fee applies.

Since Mr. Smith is leasing the space, he will not pay taxes to the City of St. John's.

From a City perspective, Mr. Smith has completed all requirements of establishing a business in St. John's. However, there may be provincial and federal regulations which Mr. Smith must comply with. He should visit bizpal.ca or contact the following:

Government of Canada (Federal)

Additional Information

Q: Does City Hall provide any financial assistance for business start-up?

The City does not provide any form of financial assistance for business start up. However, staff at the St. John's Business Information Centre (contact information located below) can help identify funding programs offered by other agencies.

Q: Does the City of St. John's provide any assistance to businesses?

Yes, Business Information Centre staff can assist you in navigating the regulatory process and connect you to the right programs, resources and contacts through email, virtual appointment or in person at 348 Water Street. Individuals can make use of the Centres' walk-in service from 9:00 a.m. - 4:30 p.m., Monday - Friday. Some of the business services available include:

- Monthly **Economic Snapshot** newsletter;
- Connections to business and financing resources;
- Research, economic data, and customized demographic profiles;
- Introductions to the right partners in the ecosystem;
- Business directories;
- Regulatory / permit / tax information.

For more information please consult the City's website at StJohns.ca, email business@stjohns.ca or telephone 709-576-8107.

Q: Where can I find permit and licence information at the municipal, provincial and federal levels?

BizPaL is an online service that simplifies the business permit and licence process for entrepreneurs, businesses, governments, and third-party business service providers. Users simply answer a series of questions on their type of business and BizPaL will automatically generate a list of permits and licences from all levels of government (federal, provincial, territorial and municipal), with basic information on each, as well as links to government sites where users can learn more and, in some cases, apply online at bizpal.ca.

Glossary

Business Improvement Area:

In 1989 the City passed the **BIA By-Law** establishing the Downtown St. John's Business Improvement Area (BIA). This area is bounded by Temperance Street in the east to Springdale Street in the west; the Waterfront to New Gower Street; Queen's Road and Duckworth Street. For commercial property owners located in the BIA 0.8 of a mill will be added to the commercial mil-rate (Levy).

Commercial Realty Tax:

Municipal tax applied to the owner of property in which commercial operations exist.

Development:

The carrying out of any building, engineering, mining, or other operation in, on, over or under land, as well as the making of any material change in the use or the intensity of use of any land, building or premises.

Discretionary Use:

A use which may be permitted at Council's discretion, subject to special conditions or controls.

Home Occupation:

A secondary use of a Dwelling Unit and/or its Accessory Buildings by at least one of the residents of such Dwelling Unit to conduct a gainful occupation or business activity.

Home Office:

A secondary use of a Dwelling Unit by at least one of its residents to conduct a gainful occupation or business activity restricted to office uses which do not involve visitation of clients to the site and no employment of non-residents.

Incidental Retail Sales:

Retail sales of a product from the place where the product is made. A retail shop is not permitted as a Home Occupation; however, limited retail sales of a product are permitted as long as they are incidental and subsidiary to the approved use.

Mil:

This represents \$1 for every \$1,000 of assessed value on property. It is used to calculate the property tax rate for residential and commercial properties. For example, a tax rate of 10 mils is equal to 1% of the property value.

St. John's Municipal Plan:

A formal Council document setting out policies on land use and development. It is adopted and approved by Council and registered by the Minister of Municipal and Provincial Affairs under authority of the Urban and Rural Planning Act. The **St. John's Development Regulations** implement the policies of the St. John's Municipal Plan.

Non-Conforming Use:

A use of land or a building which existed before the coming into force of the St. John's Development Regulations though such use is not now permitted in the zone in which it is located.

Permitted Use:

The legal use of land or buildings in conformity with the St. John's Development Regulations, as set forth in the schedule of "Permitted Uses and Zone Requirements" under Section 10.

Zone (or Land-use Zone) :

A geographic area of land including buildings and water, drawn on the zoning map, within which there are particular permitted uses, discretionary uses, and development standards. There are residential, commercial, industrial, rural and other zones.

These definitions are provided for information purposes only. The legally binding definitions are set out in the **St. John's Development Regulations** and associated documents.
