

AT HOME RESOURCES

Easter Egg Garland

This low-key activity will allow a child to use their creativity while mastering their fine motor skills!

Space:

Table with plastic covering

Supplies:

Colored paper
Pencil
Scissors
Hole punch
String
Egg shaped cookie cutter (optional)
Items to decorate eggs such as: stickers, markers, paint, glitter

Instructions:

1. Draw egg shapes on paper using cookie cutter or freehand
2. Cut the egg shapes using scissors
3. Decorate the eggs using materials of your choice
4. Once eggs are decorated, use a hole punch to add two holes at the top of each egg
5. Thread the eggs onto string
6. Hang up garland!

Fluffy Easter Slime

This low-key activity will allow a child to independently play and enjoy a tactile sensory experience!

Space:

Table with plastic covering (will get messy!)

Supplies:

1/2 cup White Washable PVA School Glue
3 cups Foam Shaving Cream
1 tbsp Saline Solution or Contact Solution
1/4-1/2 tsp Baking Soda
Food Coloring (optional)

Instructions:

1. Put 3-4 cups of foam shaving cream into a large mixing bowl.
2. Add food coloring if desired and gently stir.
3. Add 1/2 cup of white glue to your bowl. Gently stir to combine.
4. Add 1/2 teaspoon of baking soda to the mixture and gently stir.
5. Add 1 tablespoon of saline solution (must contain borate ions) to the bowl.
6. Whip the mixture to activate the slime. It will begin to pull away from sides and bottom of bowl.
7. Pick up your slime and knead it until smooth and stretchy and no longer sticky.
