## I-Pad Stylus

This low-key activity promotes creativity and encourages fun! This activity requires adult assistance/supervision.

### Space:

Table

### Equipment:

Pen  
Scissors  
Scotch tape  
Piece of aluminum foil  
Cotton swab  
¼ tsp water  
ipad or iphone

time:  
30 min.

goal:  
creative  
play

### Instructions:

1. Remove the ink refill from the pen and discard.
2. Using the scissors, cut the cotton swab in half.
3. Place the cotton swab that you cut into the shell of the pen at the tip.
4. Use scotch tape to secure the cotton swab in the pen. Do not cover up the cotton.
5. Use your scissors to cut a three-inch square of tinfoil
6. Wrap the pen close to the tip portion with the tin foil and secure using tape.
7. Wet your index finger with the water and rub the cotton end to moisten.
8. Test your new stylus on your I-pad or I-phone
