

Passed By Council on:

Purpose

To define policy on the City's collection of garbage and refuse from multi-unit apartment buildings and commercial premises.

Policy Statement

1. The collection of garbage and refuse from multi-unit apartment buildings and commercial premises will be performed by the City. Schedules, procedures and other matters respecting this service shall be in accordance with other policies respecting domestic collections, except as otherwise provided herein.
2. Each commercial premises which has an entrance with direct access to the street line may establish one (only) pick-up point on the curb line, from which point the City will perform the collection.
3. Each multi-unit apartment building may establish one such curb-line pick-up point for each entrance which gives access to a public street line.
4. At each such pick-up point, the City will collect a maximum of ten containers of garbage, or the equivalent.

Application

Responsibilities

Department of Public Works and Parks.
