Multi-Purpose Built Rentals Incentives:

- The City of St. John's entered a Housing Accelerator Fund (HAF) Agreement with the commitment to provide incentives to encourage the development of, or conversion to, Multi-Unit Purpose Built Rentals housing projects (PBR). PBR projects are defined as: "Attached multi-unit housing of at least four (4) private dwelling units (with private kitchen, bathroom, and living area[s] for each dwelling unit) built specifically for long-term rental tenure." This will apply to redevelopment projects.
- Eligible applicants/projects include approved projects between August 01, 2024, and December 31, 2026, with at least 75% of the dwelling units designated for long-term residential rental accommodation. This incentive will allow for the exemption of permit fees that include: Building Permit, Plumbing Permit, Electrical Permit, and Development Application and Development Permit Fees. ***Development Agreement and Appeal Fees are not subject to exemption. Eligible fee exemptions apply only to projects approved. Approved projects must be completed with an occupancy permit issued by December 31, 2027, failing which any exempted fees will become immediately payable by the applicant.
- Applicants are advised that applications will be assessed on a first come first serve basis until December 31, 2026, or until funds have been exhausted, whichever occurs first.

I would like to apply for the HAF Waiver of Fee Program for my Approved Building Project

I hereby submit this application and confirm that the information supplied is, to the best of my knowledge, correct.
