

Passed By Council on:

Purpose

Responsibility and procedures for removal of litter, debris and car wrecks from various areas

Policy Statement

1. The removal of litter, debris and wrecks from streets, sidewalks and road reservations is the responsibility of the Department of Public Works and Parks. Action will be taken in these areas on complaints or referrals from other departments as well, and the costs thereof appropriated against the applicable operations budget numbers as designated by the Director of Public Works and Parks.

Application

Responsibilities

Department of Public Works and Parks, Department of Building and Property Management.
