

Other Information | **SECTION 5**

- Applicant must obtain a Street Excavation Permit prior to start of work
- All work is to be performed as per applicable sections of the City of St. John's Specifications Book.
- Please note that for an Application to Connect the owner (or his agent) must contact the Water & Wastewater Division at 311 or 576-CITY (2489) and arrange to have the entire length of open trench and the service pipes inspected by the Water & Wastewater Division prior to backfilling. A minimum of 24 hours' notice must be provided to the Water & Wastewater Division. If the open service trench and service pipe(s) are not inspected by the Water & Wastewater Division, water will not be turned on.

Signature of Agreement | **SECTION 6**

I hereby submit this application and confirm that the information supplied is, to the best of my knowledge, correct. I agree to comply with all City Regulations & By-Laws, agree to develop in accordance with the plans approved by the City of St. John's, and, not to commence development without applicable written approval and permits from the City of St. John's. In addition, I acknowledge that I have reviewed this application and agree to provide any additional information requested.

Note: Where the applicant and property owner are not the same, the signature of the property owner may be required before the application can be accepted for processing.
