

Proclamation

ENERGY EFFICIENCY WEEK
September 28 – October 4, 2020

Whereas: takeCHARGE is a joint initiative between Newfoundland Power and Newfoundland and Labrador Hydro aimed at creating energy efficiency awareness and delivering programs that promote electricity savings to the residents of this province, *and*

Whereas: Energy efficiency is important for the people of St. John's and our whole province, as it helps reduce the demand on the electricity system and the impact on the environment, while helping homeowners and businesses save energy and money, *and*

Whereas: Energy Efficiency Week 2020 is focused on providing Newfoundlanders and Labradorians with the information they need to reach their energy saving goals! Your energy coaches at takeCHARGE have tips, rebates and much more to help make your homes and businesses more energy efficient. Visit TakeChargeNL.ca for the playbook on how to save energy and money. And, don't forget to enter for a chance to win an Energy Efficiency Fan Pack filled with all kinds of products to help keep your home in tip-top energy efficient shape. Need some extra encouragement? Energy Efficiency Week is also a great time to save right at the register with takeCHARGE Instant Rebates.

Therefore: I, Danny Breen, Mayor of the City of St. John's, NL, do hereby proclaim September 28 – October 4, 2020, as Energy Efficiency Week. More information on these activities can be found at TakeChargeNL.ca.

DATED the 28th of September, 2020.

Danny Breen, Mayor

ST. JOHN'S
